www.mneukom.ch

My work as a psychotherapist and coach in private practice is based on well-established, widely recognised, and scientifically substantiated concepts and methods:

Psychotherapy

Psychoanalysis, psychoanalytic psychotherapy, psychodynamic short-term psychotherapy

Coaching & Organisational Development

Individual and group coaching, team and organisational development

For executives, managers, staff members, and teams

Supervision

Individual and team supervision, case and group supervision

For psychotherapists, professional coaches, and consultants

Further Training

I offer further training, workshops, seminars, and lectures on a wide range of topics: conversation techniques; building trust; psychodynamic of leadership and management; leadership and emotion; psychodynamic understanding of organizations; psychodynamic of anxiety and other emotions; narcissism and power in organizations; conflict management; psychodynamics-based coaching; psychotherapy/psychopathology fundamentals for HR professionals and coaches; various related topics.

Consultations are available in German or English. Individuals and small groups (max. 4 persons) are welcome at my private practice at Landoltstrasse 3, 8006 Zurich. On request, I am happy to provide on-site coaching and training at your business location or at a place of your choice.
